

Co-Curricular Programme 2019-2020

Information Booklet

General information – Generelle Informationen

We are excited to be able to inform about our co-curricular programme. The programme offers additional recreational and educational activities that will enable students to develop their skills, discover new talents and make new friends. These activities are offered and led by THIS teachers. There are no costs; however, in some cases there could be a negligible fee charged for specific materials. All details about the courses are listed in this booklet.

All students are welcome to participate and due to limited space, places will be given on a “first come first serve” basis. Some of our activities are for parents or/and teachers, too.

Wir freuen uns, Ihnen unser schulbegleitendes Programm vorzustellen. Das Programm bietet ergänzend zum Unterricht Freizeit- und Bildungsaktivitäten, die es den SchülerInnen ermöglichen, ihre Fähigkeiten zu entwickeln, neue Talente zu entdecken und neue Freunde zu finden. Diese Aktivitäten werden von LehrerInnen der THIS angeboten und durchgeführt. Es entstehen keine zusätzlichen Kosten; nur in einigen Fällen wird eine kleine Gebühr für bestimmte Materialien notwendig sein. Alle Details zu den einzelnen Kursen sind in dieser Broschüre aufgeführt.

Alle SchülerInnen sind herzlich eingeladen, sich zu beteiligen. Aufgrund begrenzter Kapazitäten werden die Plätze auf einer "wer zuerst kommt"-Basis vergeben. Einige der Angebote können auch von Eltern und/oder LehrerInnen wahrgenommen werden.

**The activities (with some exceptions) start at 15:20
and finish at 16:05 on Tuesdays and/or Thursdays.**

**Die Aktivitäten beginnen (mit einigen Ausnahmen) jeweils dienstags
und/oder donnerstags um 15:20 und enden um 16:05.**

Our programme is divided into three sessions: fall, winter and spring (please find exact dates below). Some clubs or activities however, may run throughout the school year. Parents, together with their child, fill in the sign-up form for all the three sessions.

Most of the activities meet once a week for a ten week programme. To allow a better transition from one session to the other, there is a gap of two weeks in between. During these two weeks, the next session will be updated and finished.

Unser Programm ist in drei Abschnitte gegliedert: Session I, Session II und Session III (genaue Daten sind unten aufgeführt). Einige Aktivitäten werden jedoch auch das ganze Schuljahr hindurch stattfinden. Die Eltern füllen zusammen mit ihrem Kind das Anmeldeformular für alle drei Abschnitte aus.

Die meisten Aktivitäten finden im Rahmen eines ca. 10wöchigen Programms einmal in der Woche statt. Zwischen den Abschnitten gibt es eine Pause von zwei Wochen, um einen besseren Übergang von einem Durchgang zum anderen zu ermöglichen. Während dieser zwei Wochen wird die Teilnehmerliste des nächsten Durchgangs aktualisiert und abgeschlossen.

Session I: 9 September 2019 – 06 December 2019

Session II: 06 January 2020 – 20 March 2020

Session III: 20 April 2020 – 19 June 2020

Sign up / Application – Einschreibung / Anmeldung

To sign up for activities, families are requested to complete the application form at the end of this booklet. There is a minimum number of participants required to run a club.

Um sich für Aktivitäten anzumelden, werden die Familien gebeten, das Antragsformular am Ende dieses Büchleins auszufüllen. Es ist eine Mindestteilnehmerzahl erforderlich, damit eine Aktivität stattfinden kann.

Transportation information – Information zum Transport

Students have to be collected promptly at the end of each activity. Lower School students could join the day care programme alternatively.

Die SchülerInnen müssen nach Ende jeder Veranstaltung unverzüglich abgeholt werden. SchülerInnen der Lower School können alternativ zur Tagesbetreuung stoßen.

Courses run by external people – Externe Kursangebote

At the very end of this booklet you will find some courses run by external people (mostly members of our school community). Please note that not all of those are compatible with the sessions for our regular co-curricular activities and the transport opportunities mentioned above.

Ganz am Ende der Broschüre finden Sie Kurse externer Anbieter (die meistens jedoch Mitglieder unserer Schulgemeinschaft sind). Bitte beachten Sie, dass diese nicht alle kompatibel mit den Zeitabschnitten und den oben genannten Transportmöglichkeiten sind.
