

In-School Activities Session 2

General information – Allgemeine Informationen

We are getting ready to start the second session of in-school activities. PLEASE READ THE FOLLOWING INFORMATION CAREFULLY.

Der zweite Durchgang der schulinternen Aktivitäten beginnt bald. BITTE LESEN SIE DIE FOLGENDEN INFORMATIONEN SORGFÄLTIG DURCH.

Session 1 of **In-school Activities** finished on Thursday, November 21. There will be a week's break to sign up for the next session. Session 2 is eight weeks long and will start on Thursday, December 5th, and finish on Thursday, February 20th.

Die erste Runde der schulinternen Aktivitäten endete am Donnerstag, dem 21. November. Während der einwöchigen Pause können sich die Schüler*innen nun für den nächsten Durchgang anmelden. Der zweite achtwöchige Durchgang beginnt am Donnerstag, dem 5. Dezember, und endet am Donnerstag, dem 20. Februar.

All details about the activities of Session 2 were presented in the assembly on Friday, November 22.

Alle Einzelheiten zu den Aktivitäten wurden am Freitag, dem 22. November, während des Assemblies vorgestellt.

Grades 1 and 2 will fill out the form at home. - Die 1. und 2. Klassen füllen das Formular zu Hause mit ihren Eltern aus.

When you fill in the form

Select your grade level.

You must select 4 choices of activity
(they must be for your grade level).

Be careful not to select the same activity twice.

Bitte beachten:

Gebt eure Klassenstufe an.

Ihr müsst 4 Möglichkeiten auswählen, die für eure
Klassenstufe geeignet sind.

Achtet darauf, dass ihr dieselbe Aktivität nicht zwei-
mal dieselbe Aktivität auswählt.

Please complete this form by **Thursday, November 28th**

Bitte füllt das Formular bis **Donnerstag, den 28. November** aus.

After we have received all of the forms

You will be placed in one of your choices.

Your teacher will let you know before we begin.
Ergebnis

Wenn wir alle Formulare erhalten haben,

werdet ihr einem der gewählten Kurse zugeordnet.

wird euer Lehrer/eure Lehrerin euch das

mitteilen.

[Here is the online form](#) to sign up for the activities. [Hier](#) ist das Online Anmeldeformular.

The Activities are listed on the following page.

Die Aktivitäten finden Sie auf der folgenden Seite.

Session 2 Activities

English Storytime (Grade 1-2)

Teacher: Ms. Fröhlich

Description: Science has shown that new languages are best learned early. In this course, your child will be exposed to native English in a playful hands-on way. Reading beloved children's books and interacting with the text through role-playing games, crafts, singing, finger games and puppets this course is an excellent way to further expose your child to the English language.

Lego Challenge (Grade 1-3)

Teacher: Ms. Jensen

Description: A club that challenges your building abilities. You will be working alone, in pairs, and in groups

Arts (Grade 1-5)

Teacher: Ms. McWhirter

Description: Having fun exploring different art techniques

Service and Action (Formerly known as Student Council) (Grade 1-5)

Teacher: Ms De Clerq & Ms. Hoffman

Description: Represent the lower school and take action in our community

Directed Drawing and Painting (Grades 1-5)

Teacher: Ms Brown

Description: Learn to draw simple pictures and paint watercolor

Recorder Club (Grade 2-4)

Teacher: Ms. Wirth

Description: To learn to play the recorder and play some tunes together. **Children will need to bring in their own recorder.**

Gymnastics (Grade 2-4)

Teacher: Mr. Moore & Ms Houtzager

Description: his club aims to develop confidence in simple gymnastics skills (jumping, rolling and balancing), using a variety of gymnastic equipment. Students will also explore developing a sequence of movements leading towards a performance.

Cryptography (Grade 2-4)

Teacher: Mr. Spindler

Description: Come and read and create your own ciphers. For example, we will write with a secret ink or invent our own secret alphabets.

STEM Challenges (Grade 3-5)

Teacher: Ms. Shannon

Description: Students are given STEM challenges to problem solve and practice their building skills.

Quilling (Grade 3-5)

Teacher: Ms. Moore

Description: Creating pictures using paper through the art of quilling. Develops creativity and improves fine motor skills.

Competitive Maths Club (Grade 3-5)

Teacher: Mr. Botsford & Ms. Buffum

Description: A club that embraces the most difficult maths problems, in preparation for the maths kangaroo assessment.
